

This is a copy. If selected as an Intern you will be asked to sign an official Intern Agreement.

**Internship Agreement Between
(Intern)
and
Norton Sound Health Corporation**

This agreement dated the _____ is by and between Norton Sound Health Corporation and (Intern).

The purpose of this agreement is to provide (Intern) with the opportunity to work for NSHC with the pay in the grade and the range in which the internship positions are placed. However, in addition to his/her regular pay, (Intern) shall be eligible for financial assistance while in the internship program. Each semester, (Intern) will receive a scholarship in an amount not to exceed \$5,000. Scholarship amount may be revised on occasion with a budget revision and Scholarship Committee Approval. The scholarship is to be used for tuition and related expenses.

It is expected that (Intern) will return to work at NSHC during the school breaks. Also, upon completion of the program, (Intern) will return to NSHC to work in a vacant position within the (mentor or division) that is appropriate to his/her education and training. This postgraduate work will serve as pay back on a month/year of financial support for a month/year of postgraduate work.

While employed prior to receiving his/her degree, (Intern) will be under the direction of (mentor or division).
